

Envirotech Alto Blackout Blind Fabric

“Intelligent Blind Fabrics, Protecting You and The Environment.”

Alto Blackout is a stylish fabric with a colour matching acrylic foam coated backing that offers a large range of choice in terms of colour and size.

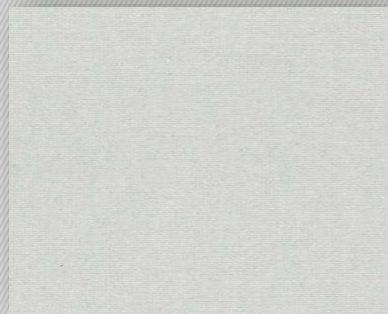

With 30 colours to choose from, this fabric provides superior blackout qualities that will cast any room into darkness. It is fire retardant, odourless and colourfast, with 11 colours available in additional widths and a further 10 available with a white back option for increased levels of solar reflectance.

Alto Blackout Fire Retardant

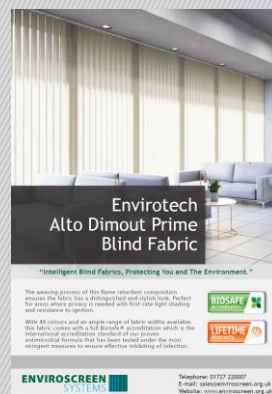

The blackout range comes with 30 matching colours front and back. With an acrylic foam backing, this fabric is PVC free and totally impermeable to light.

As with all Enviroscreen fabrics, Alto Blackout fabric comes with a lifetime warranty. This fabric has been developed to work perfectly alongside the Alto Dimout fabric range, helping to maintain continuity across spaces that require different yet coherent levels of shading.

Fabric Composition:	100% Polyester
Fabric Range:	30 - Blackout / 10 - White back
Louvre Widths:	127mm (5") / 89mm (3.5")
Vertical Roll Length:	100m
Roller Fabric Width:	2000mm / 2500mm / 3000mm
Roller Fabric Length:	30m
Fabric Thickness:	0.48mm
Fabric Weight:	390 g/m ²
Fire Retardancy:	BS5867, Part 2: Type B, 2008
Shading:	Blackout
Moisture Resistance:	Suitable for moist conditions
Colourfast:	Conforms to BS5867 - 1: 2004 when tested in accordance with ISO 105-B02:1999
