

Envirotech Alto Dimout Blind Fabric

“Intelligent Blind Fabrics, Protecting You and The Environment.”

This fabric features a smooth, uncoated finish that creates a sleek and stylish dimout effect. Designed for areas where fire resistance is not required, it offers excellent light shading and privacy. Available in 40 colours and multiple widths—including 89mm, 2000mm, and 2500mm—it suits a wide range of window sizes and applications.

The fabric is moisture resistant and incorporates Biosafe®, an internationally recognised antimicrobial treatment tested to meet rigorous infection control standards.

Alto Dimout Non-Flame Retardant

Presenting 40 colours and a choice of fabric widths, this dimout fabric with Biosafe® accreditation is ideal for commercial, educational and healthcare environments. It provides effective privacy and light shading while supporting hygiene through its proven antimicrobial formula.

With its versatility and durability, this fabric is perfect for projects requiring a combination of style, comfort and infection control.

Fabric Composition:	100% Polyester
Fabric Range:	40
Louvre Widths:	89mm (3.5")
Vertical Roll Length:	100m
Roller Fabric Width:	2000mm / 2500mm
Roller Fabric Length:	30m
Fabric Thickness:	0.3mm
Fabric Weight:	220 g/m2
Shading:	Dimout
Moisture Resistance:	Suitable for moist conditions
Anti-Bacterial:	Incorporates Biosafe® formula
